Rally for Awareness

Students from fourteen counties were among the 340 students who recently attended the Focus Program's "Rally for Awareness" held at Shocco Springs Baptist Conference Center on April 29, 2010. The Rally focused on the prevention of adolescent risk behaviors identified by the Center for Disease Control and Prevention's Youth Risk Behavior Survey.

Register for the 2010-2011 School Year to update FOCUS information!

**7th Annual Alabama Youth Council (AYC)
September 14, 2010 at Hewitt-Trussville High School!**

Registration opens on August 1, 2010!

The keynote speaker for the Alabama Youth Council will be Ben Glenn, "The Chalk Guy." Visit his website at www.simpleadhdexpert.com.

The FOCUS Program website has been recently updated! Visit the Participating Schools (<http://thefocusprogram.com/focus-schools/>) webpage and you can view all participating schools by their county!

The FOCUS Programs wants to acknowledge your school's hard work through our new FOCUSED & Featured section!

The FOCUSED & Featured section of The FOCUS Program was created to acknowledge schools that have implemented the FOCUS Program within their school and, as a result, have created a successful prevention (of HIV/AIDS and other adolescent risk behaviors) activity or project that they would like to share with others.

Each month a school will be selected out of the entries and will be highlighted in the upcoming month's FOCUS eNewsletter. In order to submit your school's successful prevention activity or project simply fill out the FOCUSED & Featured Form ([http://www.thefocusprogram.com/uploadedFiles/Focused%20&%20Featured%20Form\(4\).pdf](http://www.thefocusprogram.com/uploadedFiles/Focused%20&%20Featured%20Form(4).pdf)) and email the completed form to April Smith (asmith@thefocusprogram.com). In order to be considered for the upcoming month's eNewsletter all FOCUSED & Featured Forms must be submitted by the **7th of each month**.

Health observances are days, weeks, or months devoted to promoting particular health concerns. Teachers, students, community groups, and others can use these special times to sponsor health promotion events, stimulate awareness of health risks, or focus on disease prevention. Materials available from sponsoring organizations range from a single flyer to packets of promotional materials. For more information on monthly health observances visit the U.S. Department of Health & Human Services website (www.healthfinder.gov/nho).

June Health Observances

- 1: July 4 Fireworks Safety Month
- 6: National Cancer Survivors Day
- 6-12: Sun Safety Week
- 20-26: Lightning Safety Week
- 21: National ASK Day
- 27: National HIV Testing Day

July Health Observances

- 1-31: Juvenile Arthritis Awareness Month**
- 1-31: UV Safety Month**
